## Our Hiring Requirements

Over the years Almost Heaven Ice Cream has created a mission of spreading positivity and happiness while providing a friendly and clean environment where customers can enjoy the ultimate ice cream experience. We do this by guiding young adults into the beginning of their working careers and providing quality careers for people of all ages that want to be a part of a growing corporation. Almost Heaven is a vibrant work environment where our team comes together to express camaraderie and exceptional customer service.

Most of our customer traffic occurs in the evenings and on the weekends, especially weekend nights. So those are the important times when we need availability to ensure that our customers get the great service they expect.

For our team members who are in school we are as flexible as possible in scheduling shifts around school and/or sports schedules. In return, we ask that our team members be flexible and understand the seasonality of our company. If the weather is cold or rainy, we may need to cancel a shift, or if the weather is warm and sunny, we may have open shifts to be picked up. When a team member is in a sport they are expected to work and be available for the shifts they have committed to. If they cannot maintain their shifts they may need to go seasonal (seasonal is employment between the months of May-Aug).

Our minimum availability requirement is one weekend closing shift, at least one other weekend shift (day or night), and at least one other shift any time during the week or weekend (minimum of 3 shifts per week are required).

I've read and understand these requirements, and I am able and willing that I can commit to them. I certify that the information on this application is correct and I understand that any misrepresentation or omission of any information will result in my disqualification from consideration for employment or if employed my dismissal for just cause.
