

Production Assistant

Description

We provide super-premium ice cream to our customers and the production team makes it happen! We have the highest standards for cleanliness and sanitation in the production facility. Ice Cream Producers ensure consistent high quality product by following all recipes, performing all required procedures, quality checks and documentation. A background in food service is not required; every Team Member is trained to follow precise recipes and procedures for cleaning and sanitation. We offer part-time and full-time production positions. Availability of Monday-Friday, 9am-4pm is preferred. Other primary requirements and responsibilities include:

Responsibilities

- Maintaining a positive, helpful attitude and working with a sense of cooperation and camaraderie with your fellow team members.
- Working with hustle, speed and efficiency.
- Cleaning, sanitizing, assisting in ice cream prep, ice cream making, and packaging.
- Documentation of all production and inventory
- Encouraged to invent new and exciting ice cream flavors, ice cream pies, and more
- Able to maintain high energy throughout a 6-8 hour work day while repeatedly lifting up to 30 pounds and being on your feet.
- Ability to take feedback and constantly be looking for ways to improve and grow
- Staying focused and on task to complete projects assigned by Producers.
- Motivated to learn new skills and assist other Team Members when needed.
- Follow proper food handling and safety standards.
